

NEED HEALTH INSURANCE?

Special COVID-19 Health Insurance is Still Available for 2021

Due to the ongoing pandemic, Marylanders can STILL enroll in quality, affordable health plans through the Maryland Health Connection (MHC) for a limited time. Medicaid enrollment is available all year. The financial protection provided by health insurance is critical for covering expenses associated with testing, treatment, and potential hospitalization. All private health MHC plans cover costs for COVID-19. Trained bi-lingual experts can help you with options from your computer or phone. The service is free. Call today.

***Insurance may also meet other special enrollment period (SEP) guidelines.*
