

Health Insurance for Children and Families

A child's health tomorrow begins TODAY.

It's "Back to School" time for Prince George's County. Healthy students make better learners, and academic achievement bears a lifetime of benefits for health. Children and families can get a fresh start with the things that are needed to maintain good health. Health insurance is available through Maryland Health Connection (MHC), the state's health insurance marketplace; and the Maryland Children's Health Program (MCHP).

Maryland Children's Health Program (MCHP)

Children are eligible for health insurance through (MCHP). MCHP provides medical coverage for children under the age of 19. Uninsured children from households with higher income levels may qualify for MCHP Premium. Coverage can start immediately.

Prince George's County Health Connect

PGC Health Connect enrolls Prince George's County residents in health insurance through MHC. Insurance is available to qualifying residents 18 to

64 years of age. PGC Health Connect also enrolls children in MCHP. PGC Health Connect can provide children and families with the health insurance they need at one time.

To enroll in qualified or "private" health plans; or to explore other options, call or visit PGC Health Connect. Certified, bilingual insurance navigators can assist you with finding the best insurance that meets your families' needs. Financial assistance is available. Sessions are free and confidential.

Call (301) 927-4500; or (240) 719-2167, Monday-Friday, 8:30 a.m. to 4 p.m.
